# PHYSICAL EDUCATION

## WHAT DO WE DO IN THE

### 109-101: PHYSICAL EDUCATION AND HEALTH?

**COMPETENCY:** To analyze physical activity within the context of lifestyle behaviours that promote health.

This course focuses on HEALTH! Students study the physical, psychological, social and intellectual benefits of physical activity as they learn how to choose safe and effective activities for all components of fitness. By sampling a variety of activities, students will identify personal needs, interests and motivational factors that will potentially lead to an active lifestyle. Students also analyse how nutrition, stress and time management influence their overall wellness.

#### **FITNESS**

Each class introduces cardiovascular, muscular and flexibility activities using a variety of apparatus. Students learn how to use free weights, cardio and weight-training machines according to their needs and abilities. Weather permitting, classes may also include outdoor activities such as power walking, jogging or games.

#### **FITNESS/AEROBICS**

This course offers a variety of workouts that help to increase fitness level in a fun way. The various activities include hi-lo aerobics, Tae Bo, BOSU ball stability training, muscle conditioning and boot camp exercises.

#### **FITNESS/GAMES**

A variety of activities are used to develop cardiovascular endurance, muscular fitness and flexibility. Cardiovascular fitness is the primary focus of the course and will be developed through the following games: soccer, basketball, floor hockey, throwton, badminton, touch football, ultimate frisbee, capture the flag, dodgeball, etc.

#### **FITNESS/YOGA**

Cardio activities include stationary equipment, steps, circuits and sun salutations. A variety of yoga poses develop muscular and flexibility components.

#### **FITNESS/ZUMBA**

Zumba is an easy and fun dance fitness program featuring movements inspired by various styles of Latin and World music. This course combines all elements of fitness – cardio, muscle conditioning, balance and flexibility through Zumba and complementary fitness activities.

# PHYSICAL EDUCATION

## WHAT DO WE DO IN THE

### 109-102: PHYSICAL EDUCATION AND SKILLS ?

**COMPETENCY:** To demonstrate improvement in a physical activity.

This course focuses on skill development and acquisition. By critically assessing their strengths and challenges, students develop, and apply, a plan of action that leads to improvement in the basic skills required for the physical activity.

**Additional fees are required for courses marked with an asterisk (\*). Choices may include:**

#### **BADMINTON**

This course is designed to introduce students to the fundamental strokes and strategies of singles and doubles play. Skills and strategies are developed through drills, patterns and games.

#### **BASKETBALL**

Students learn fundamental skills (passing, shooting, lay-ups, etc.) and strategies (offensive and defensive) that enable them to play pick-up basketball as part of their activity repertoire in the future.

#### **CROSS COUNTRY SKIING \* (WINTER SEMESTER)**

Students learn basic cross-country skills as they sample ski trails at Parc Bois-de-Liesse, and Gai-Luron in Bellefeuille. Practice sessions and trip preparation lectures take place on campus and at Mt. Royal. The \$105 course fee covers transportation, assistants and facility costs.

Activity	Dates (Must be available for all)	Time
Lectures:	Monday Jan 18 <sup>th</sup> and 25 <sup>th</sup> , Feb 1 <sup>st</sup> and 8 <sup>th</sup> .	6:15-8:30pm
Trip 1 (Bois de Liesse)	Saturday, January 30 <sup>th</sup>	9:00-4:00pm
Trip 2 (Gai Luron)	Saturday February 13 <sup>th</sup>	8:00-5:00pm

#### **CYCLING \* (AUTUMN SEMESTER)**

In this intensive course, which runs until mid-September, students learn how to prepare for longer bike trips. Theory components include: basic bike maintenance, training techniques, cadence and pacing, safety, road rules and trip preparation. Two cycling day trips on the weekends take place primarily on bike paths. The first trip (approximately 45-60 kilometres) is an urban cycling experience in Montreal. The second trip (approximately 50-75 kilometres) takes place in the Laurentians on the Pet it Train du Nord. **Students must provide their own compulsory helmet and a reliable bike, which must be in good working order.** The \$90 course fee covers all expenses including transportation to the venues and assistants.

## **DANCE**

Basic dance elements of Hip Hop, Jazz and Modern are covered through choreographies adapted to beginner and intermediate dancers.

## **FLOOR HOCKEY**

Students learn fundamental skills (passing, shooting, stick handling, etc.) and strategies (offensive and defensive) that enable them to play pick-up floor hockey as part of their activity repertoire in the future.

## **INTRO TO OUTDOOR EDUCATION \* (WINTER SEMESTER)**

Students are introduced to camping skills, canoeing, nature observation, fire keeping (with and without matches!) and basic survival skills at an outdoor education centre in the Laurentians. This course offers students a unique opportunity to become more aware of nature by learning how to identify medicinal and edible plants and trees and search for the presence of wildlife in any setting. The \$190 course fee covers transportation, assistants, canoe rentals, accommodations and meals.

<b>Activity</b>	<b>Dates (Must be available for all)</b>	<b>Time</b>
Lectures:	Jan. 21, April 7, April 21, May 5th	6:15-8:30pm
Trip (Kanawana)	May 24 <sup>th</sup> , 25 <sup>th</sup> and 26 <sup>th</sup>	

## **NATURE CANOEING \* (AUTUMN SEMESTER)**

This intensive course introduces basic canoeing skills, enabling students to pursue canoeing safely in the future. Students learn how to increase their awareness of nature by identifying medicinal and edible plants and trees and searching for the presence of wildlife. Nature Canoeing day trips take place up north and at Parc de la Rivière-des-Mille-Îles in Laval. Students should be comfortable in deep water while wearing a lifejacket. The \$125 fee covers all expenses, including canoe rental and transportation to the venues.

## **SOCCER**

Students learn fundamental skills and offensive and defensive strategies that enable them to play soccer as part of their activity repertoire in the future. In the fall semester, this course takes place on the sports field, twice weekly, so it will end by early November.

## **PILATES**

This course is designed to provide each student with the knowledge and practice necessary to be an effective learner of Pilates skills and a successful participant in Pilates classes. Each student will participate in a variety of Pilates exercises which help to strengthen and lengthen the body. The course will progress gradually through beginner, intermediate and advanced exercises that have a particular emphasis on the core helping with posture and back health.

## **TOUCH FOOTBALL (AUTUMN SEMESTER)**

Students are introduced to the sport of touch football using drills, mini-games and games. All basic skills of touch football are covered at introductory and intermediate levels. No previous experience is required. Taught on the sports field, this course finishes in mid-October.

## ULTIMATE FRISBEE

This course will introduce the fundamental skills and strategies of organized Ultimate Frisbee for the beginning to intermediate player. Ultimate Frisbee requires development of the following individual skills: throwing/passing/catching, running/cutting and marking. Students will also learn to practice effective communication with teammates.

## VOLLEYBALL

Students are introduced to the sport of Volleyball through cooperative activities, lead up drills, mini games and games. We will cover the fundamental skills, (volley, bump, serve, etc...), as well as offensive and defensive strategies, (3 hit plays, net play, W-formation, etc...). # PHYSICAL EDUCATION

## WHAT DO WE DO IN THE

### 109-103: PHYSICAL EDUCATION & AUTONOMY ?

**COMPETENCY: To demonstrate the ability to responsibly engage in physical activity which promotes health.**

Students in this second year course focus on taking responsibility for their active lifestyle. Students are provided with the opportunity to be autonomous, apply safe and effective training principles, manage their time and set clear goals as they design, and implement, a personalized activity plan. By working out on their own (known at the College as "ponderating"\*) throughout the semester, students demonstrate that they can improve their fitness. As a result, there are no intensive courses. All 103 courses continue for the duration of the term.

\*Marianopolis provides 22 hours of free time in the Fitness Centre per week, overseen by a qualified and knowledgeable Fitness Monitor.

**Additional fees are required for courses marked with an asterisk (\*). Choices may include:**

## BADMINTON

Students participate in a variety of badminton drills, patterns and matches to develop cardiovascular fitness and muscular endurance. No previous badminton experience required.

## BASKETBALL

Students work on their cardiovascular endurance through a variety of mini-games, drills and full-court scrimmages in a fun, safe, cooperative setting. Muscular activities are introduced periodically and each class ends with a stretching routine.

## **CARDIO DANCE**

All students are welcome in this course which focuses primarily on cardio fitness through follow the leader, and group aerobic dance movements.

## **NATURE HIKES \***

Experience the mystery and fun of a moonlight snow shoe hike; and increased nature awareness by identifying plants, trees and searching for the presence of wild life in a mountain day hike. Students will meet for seven to eight classes over the 15-week semester. During this time, they will design and implement their Personal Activity plan, snowshoe, hike and powerwalk during class time. Students will also experience the adventure and excitement of a moonlight snowshoe hike in Morin Heights (January 23) and a day hike in Glen Sutton (February 21). This is a unique opportunity to have fun, get in shape, and live a wilderness experience. The \$95 course fee includes transportation, assistants, equipment and trail fees.
